

## Celebrity Winterfest Race Rules

### The Official Rules:

- Each team has a Special Olympics athlete and a Celebrity
- Each team races a modified Giant Slalom course with a minimum of 10 gates, pending on weather and conditions
- Each team will ski two runs, one on each course (one on the red course and one on the blue course).
- Each racer will race against a racer from another team.

### Calculating Times and Results:

- The top (fastest) eight times will be calculated for each of the runs, with a combined time for the two runs used to determine the final four teams.
- The finals will consist of one run for each of the final four teams.
- The placement of teams is determined in the preliminaries.

### The Finals:

First run: 2nd place vs. 3rd place

Second run: 1st place vs. 4th place

*Note: The higher seed will choose which course they want to race.*

**Final placement will be determined on the top 8 times of each team in the final run.**
